KINESIOPLUS PHYSIOTHERAPY & OSTEOPATHY CENTER, INC.

KinesioPlus Physiotherapy & Osteopathy Center, Inc. first started as home health facility in 2021 covering some areas of Bulacan and Quezon City. In 2023, KinesioPlus decided to expand and open a physical clinic to reach more individuals in need of the services.

MISSION

Our mission is to provide the highest quality of Physiotherapy and Osteopathy services with an exceptional patient care and to help each patients achieve their highest level of function and independence at a reasonable cost.

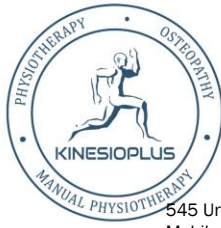

VISION

To establish KinesioPlus Physiotherapy & Osteopathy Center as the leading and most trusted Pain Center in San Jose del Monte by 2025 and to be known as the premier provider of Physical Therapy and Osteopathy care, resulting in the highest level of independence for our patients.

OUR VALUES

Excellence in patient care demonstrated through;

- Compassion
- Service
- Integrity
- Teamwork
- Accountability
- Continuous education
